

CITY OF OPA-LOCKA BUILDING DEPARTMENT
ELECTRICAL CATEGORY
AFFIDAVIT FOR 30-DAY TEMPORARY ELECTRIC SERVICE
(To be executed by Owner and/or Tenant, Building & Electrical Contractor)

NOTE: ELECTRIC SERVICE WILL BE DISCONNECTED WITHOUT NOTICE UPON 30-DAY TERMINATION UNLESS APPLICATION IS RENEWED.

It is understood that the temporary electrical approval by the Opa-locka Building Department is given in connection with the building being constructed under Building Permit No. _____ and Electrical Permit No. _____ at _____

ADDRESS

for _____ OWNER _____

is being given only for construction purposes or for testing the following installations being made in said structure:

Sub-paragraph 4501.2 (e)(j) of the South Florida Building Code provides for a 30-day maximum approval only if an URGENT NECESSITY for electric current exists. Necessity shall include the use of current for irrigation, security, humidity control, emergency power and lighting, such as for testing or construction purposes, provided the Electrical Contractor and owner does hereby agree to assume the responsibility of maintaining the installation in such a manner that there is no hazard to the said property.

Such approval is in no event to be considered a release of said structure for purposes of use and occupancy and no occupancy shall be granted or permitted until final inspections have been called for and approved by the inspection divisions concerned and an occupancy permit obtained.

The undersigned also understands that the temporary-electric approval is subject to rescission and cancellation and electric power can be cut off at the discretion of the Building Department and will be disconnected if the building concerned is occupied before final inspections are approved and occupancy permit obtained.

I, _____, being duly sworn, depose and say that I am the owner of the above described property, and that I agree that the structure covered in this agreement shall not be occupied until the building contractor has obtained approval of final inspections.
